Providing Instruments that Detect, Measure, and Analyze

3M Detection Solutions

- Air Quality and Particulate Monitors
- Heat Stress Monitors
- Noise Dosimeters
- Sound Level Meters

International Sensor Technology

- Fixed and Portable Toxic/Combustible Gas Monitors (ppm and %LEL ranges)

Alfa Laval (formerly Gamajet)

- Tank Cleaning Systems

InterScan Corp

- Permanent/Portable Toxic Gas Analyzers

Applied Analytics

- Liquid and Gas Process Analyzers

Ion Science

- Gas Sensing and Leak Detection Monitors
- Portable Gas Leak Detectors
- Portable Photoionization Detectors for VOCs/TACs

B W Technologies by Honeywell

- Portable and Personal Gas Detectors

K-Patents

- Process Refractometers

Crouse-Hinds by Eaton

- Alarm Call Points
- Beacons and Strobes
- CCTV Camera Stations
- Sounders and Horns

Morphix Technologies (K&M)

- Personal Monitoring Badges

Elkins Earthworks

- Portable Landfill Gas Analyzers

PCME

- Particulate Performance Monitors

G E Measurement & Control

- Digital Oxygen Transmitters
- Portable Moisture and Flow Survey Instruments
- Single and Multichannel Moisture Analyzers
- Ultrasonic Flowmeters and Transmitters

PermaPure

- Gas Sample Conditioners and Components

Gaset Technologies

- Portable FT-IR Gas Analyzers

PID Analyzers

- Process Gas Chromatographs

Honeywell Analytics

- Electrochemical, Infrared, and Diffusion-Type Sensors (Manning Brand)
- Fixed Gas Monitoring Systems (Sieger, MDA Scientific Brands)
- Portable/Personal Gas Monitors for Combustibles, Toxic Gases, and Oxygen (BW Technologies, Lumidor, and Zellweger Analytics Brands)

RAE Systems by Honeywell

- Personal and Portable Gas Detectors
- Wireless Gas Detection System

S::CAN

- Liquid Analytics
- Process Spectrometry

Inficon (formerly Photovac)

- Flame Ionization Detectors for VOCs

SciAps

- Elemental Analysis Spectroscopy

Senscient

- Open Path Gas Detection

Providing Instruments that Detect, Measure, and Analyze

Sensidyne/Gilian

- Personal and Area Sampling Pumps
- Primary Flow Calibrators
- Humidity-Resistant PID for VOC Monitoring
- Impingers, Cassettes, Sorbent Tubes

Testo

- Combustion Test Instruments
- Portable Thermometers, Anemometers, and Hygrometers
- Digital Temperature and Humidity Loggers

Siemens Process Analytics

- Calomat Extractive Process Gas Analyzers
- Fidamat Hydrocarbon TCM Extractive Process Gas Analyzers
- Laser Analytics In-Situ Process Gas Analyzers
- Oxyrat Extractive Process Gas Analyzers
- Ultramat IR Active Component Extractive Process Gas Analyzers
- Ultramat/Oxyrat Process Gas Analyzers

TSI (and Alnor Instruments)

- Air Volume Flow Measuring Hoods
- Indoor Air Quality/Aerosol Monitors
- Mask Integrity Testing Systems
- Personal Particle Samplers/Calibrators
- Portable Air Velocity Meters
- Quantitative Respirator Fit Testing Systems
