Your Source for Industrial Hygiene, Environmental, and Safety Instrumentation

Baseline-MOCON

- Automated Gas Chromatograph/Analyzer
- Portable Toxic Gas/Vapor Monitors (PID)
- Continuous Monitors for Volatile Organic Vapors

Bios BIOS

- Flow Calibrators
- Environmental Sampling

A.P. Buck, Inc.

- Genie Series Personal Sampling Pumps
- STP Flowmeters and Calibrators

Bruker AXS

- Optical Emission Spectrometry
- Positive Material Identification (PMI)
- X-Ray Fluorescence (XRF) Analysis

Casella USA

- Personal Sound and Noise Monitoring Instruments
- Portable Heat Stress Meters

Eco-Tec

- Water Treatment Systems

Gasmet Technologies

- Portable FT-IR Gas Analyzers

Honeywell Honeywell Analytics

- Portable/Personal Gas Monitors for Combustibles, Toxic Gases, and Oxygen (Zellweger Analytics, BW Technologies, and Lumidor Brands)
- Manning Electrochemical, Infrared, and Diffusion-Type Sensors
- Sieger, MDA Scientific Fixed Gas Monitoring Systems

International Sensor Technology

- Permanent and Portable Toxic/Combustible Gas Monitors (ppm and %LEL ranges)

InterScan Corp

- Permanent/Portable Toxic Gas Analyzers

Ion Science

- Gas Sensing and Leak Detection Monitors
- Portable Gas Leak Detectors
- Portable Photoionization Detectors for Volatile Organic Compounds

Mine Safety Appliances (MSA)

- Hazardous Materials Chemical Agent Detectors
- Portable/Personal Gas Monitors for Combustibles/Toxic Gases/Oxygen
- VaporLab Portable Analyzer

Morphix Technologies (K&M)

- Personal Monitoring Badges

Opsis

- Open Path Air Quality Monitoring Systems

PCME

- Intelligent Particulate Performance Monitors

PermaPure

- Gas Sample Conditioners and Components

Photovac

- Portable Gas Chromographs
- FID and PID Portable Monitors

RAECO Illinois sales and rental office has moved.

In an effort to serve you better, the RAECO sales and rental office in Frankfort IL has merged facilities with our corporate operating office in Bensenville.

RAECO's address is
135 Bernice Dr, Bensenville IL 60106.

Our local and toll-free phone numbers, fax number, e-mail addresses and website address have not changed.

Environmental, Industrial Hygiene, and Safety Instrumentation Since 1945.

Quest Technologies

- Heat Stress Monitors
- Noise Dosimeters
- Sound Level Meters
- Vibration Monitors

Teledyne Monitor Labs

- EPA Compliance Stack Gas Monitors
- Data Acquisition Reporting
- Extractive/In-Situ Gas Analysis
- Opacity Monitors
- Stack Gas Flow Monitors

- Online UV Process Spectrometers

SENSIDYNE Sensidyne/Gilian

- Personal and Area Sampling Pumps
- Primary Flow Calibrators
- Humidity-Resistant PID for VOC Monitoring
- Impingers, Cassettes, Sorbent Tubes

Testo

- Combustion Test Instruments
- Portable Thermometers, Anemometers, and Hygrometers
- Digital Temperature and Humidity Loggers

SIEMENS Siemens Process Analytics

- Calomat Extractive Process Gas Analyzers
- Oxymat Extractive Process Gas Analyzers
- Ultramat IR Active Component Extractive Process Gas Analyzers
- Ultramat/Oxymat Process Gas Analyzers
- Laser Analytics In-Situ Process Gas Analyzers
- Fidamat Hydrocarbon TCM Extractive Process Gas Analyzers

TSI

- Air Volume Flow Measuring Hoods
- Combustion Monitors
- Indoor Air Quality/Aerosol Monitors
- Personal Particle Samplers/Calibrators
- Portable Air Velocity Meters
- Quantitative Respirator Fit Testing Systems
